TERMS

Accounts with established credit have terms of 1% 10 net 30 days. All others, Visa, Mastercard, AMEX or Discover. Orders payable in US funds only. Minimum order is \$25.00, orders under that will be charged a \$2.00 service charge.

PRICE CHANGES

We constantly strive to offer the lowest possible prices. Occasionally, unanticipated vendor increases make it necessary to change the prices published inside. We regret that price increases must sometimes occur.

RETURNS & EXCHANGES

Please inspect your packages upon arrival. Please call the customer service department to remedy any problems. If you are returning merchandise please obtain a "return authorization number" to assure accurate credit or exchange, a restocking charge may apply. We ask that all goods be in resaleable condition and returned within 10 days of receipt. Special order items and custom imprints are not returnable.

Returns should be directed to
 MFASCO
 16199 Common Rd
 Roseville, MI 48066

SHIPPING CHARGES

Freight charges are calculated on weight and distance. We make every effort to send packages in the most economical mode possible. We can ship your packages, USPS first class (weight restriction apply, USPS Priority Mail, UPS or FEDEX Ground. For mail orders, please estimate 15% of the order total for freight charges. If you need a freight quote, please contact customer service.

WARRANTIES

MFASCO makes no warranties of any kind and disclaims any implied warranty of merchandise or fitness for a particular purpose. MFASCO's liability, if any, is limited to return of goods sold.

OFFICE HOURS

Office hours are from 8:00 am to 4:30 pm EST, Monday thru Friday, except holidays.

Specialty Dressings

Multi-Trauma Dressing

Multi-layered absorbent pad opens to 10" x 30" for dressing larger areas such as back, chest or head. Protects and cushions lacerations, abrasions, piercing wounds, fractures and provides cervical support. Individually sterile packed.

EACH #5340

Triangular Bandage

100% cotton muslin provides strong support for head injuries or use as an arm sling. Includes two safety pins. Also use as a head dressing or to secure a splint. Non-sterile, 40".

EACH #7600

Blood Stopping Bandage

Contains a removable gauze roll to apply direct pressure to severely bleeding wounds without sticking. Has a large non-adhering wound pad that measures, 9" x 5 1/2" for use as a large dressing. Individually sterile packed.

EACH #1900

Coflex AFD Dressing

Absorbent foam dressing combines a foam dressing pad with a cohesive bandage. The all-in-one foam pad dressing and cohesive bandage wrap keeps wound sites moist and clean, provides controlled compression and is easy to apply. 2.5 yard roll, tan color, sold each.

2" #5033
4" #5034

Kendall Kerlix Gauze Roll

Made of prewashed, fluff-dried 100% woven gauze with unique crinkle-weave pattern for loft and bulk to cushion and protect wound areas. Finished edges reduce loose ends. Sterile in soft pouch, 6 ply, 1 roll per package. Measures 4.5" x 4 yards.

EACH #4435

Sterile Bandage Roll (Kerlix Type)

Woven 100% gauze in 6 ply offers a superior dressing in an easy open sterile package. Provides cushion & comfort. 4.5" x 4 yards.

EACH #4405

Cover Roll

A cross-elastic, non-woven bandage that provides light compression. It is excellent for areas requiring flexibility and freedom from constraint, while providing superior holding power. Retains dressings on wound and surgical sites. Provides fixation of catheters and tubes. Cut to size.

2" #2912
4" #2913

Unna Boot

Non-raveling gauze evenly impregnated with a non-hardening zinc oxide paste. Ideal for the treatment of stasis leg ulcers, lymphatic edema, thrombo-phlebitis, eczema of the leg, minor fractures, sports injuries, sprains and strains. Bandage stays moist to encourage healing. Non-sterile, 4 inch by 10 yds, sold each.

EACH #3454

Stockinette

Cotton stockinette is commonly used for skin protection underneath plaster or synthetic casts. Economy stockinette is also used for craft projects and hobbies. Ribbed, 100% cotton tubular stockinette can be cut to desired length and slides on easily to legs, arms and thighs. Non-sterile, 25 yard roll, tan color

2 Inch #7892
3 inch #7894

Tube Bandage

Surgitube tubular gauze is a high-quality, all cotton seamless tubular gauze that can be applied with or without an applicator to provide protection to fingers or toes. Tube bandage can be cut to desired length and stays in place with minimal or no tape. White, 50 yard roll, applicators sold separately.

Tube Gauze #1 5/8" #3660

EACH #1418

Mueller Padded Elbow Sleeve

Contoured neoprene sleeve with unique buttress-style padding provides protection and comfort. Inner nylon jersey provides comfort and easy on and off. Uniquely stitched design and taped seams for maximum flexibility, comfort and durability.

Small/Medium	#1416
Large/Xlarge	#1417

Knee Braces

Hinged Knee Brace

The ideal brace for weak or injured knees needing maximum medial/lateral support with restricting mobility. The patented Triaxial Hinge properly tracks the knee and produces near-normal joint motion of the knee. Wrap around design allows for easy on/off, while the open back helps eliminate bunching behind the knees. Patella butress stabilizes and protects the kneecap. Black color, (Measure around center of knee for correct sizing.)

Regular 12-16"	#1189
Large 16-20"	#1191
XLarge 20-24"	#1194

Mueller Hg80 Knee Brace

Made of the Mueller-Exclusive HydraCinn Fabric which is a non-neoprene, moisture-wicking fabric to provide a "NO SWEAT" and "NO FUNGUS" comfortable knee brace. An antimicrobial barrier provides protection against odor causing bacteria, fungus and other microorganisms. Inner grip strips hold braces in place and helps prevent migration. Flexible steel springs support both sides of the knee, yet allow leg flexion and extension. Black, (Measure Around Center of Knee)

Small 12-14"	#1196

customer.service@mfasco.com

HKO Knee Brace

One of the easiest knee braces to put on. Anterior (front) closure on this knee support lets you wrap the brace around the knee rather than sliding the knee brace up the leg. Hinged knee support allows for extra support while providing more mobility. Hinges on the knee brace are covered for sporting activities. Knee brace is made of a perforated, breathable material that allows for compression and comfort. Open patella design eliminates bunching behind the knee. Black color sold each. Measure Knee circumference for correct sizing.

Medium 14 1/4-15"	#1251
Large 15 1/4-17"	#1252
XLarge 17 1/4-18"	#1253

Max Knee Support Knee Strap

This lightweight knee strap is comfortable and provides targeted compression from dual straps above and below the knee cap without reducing your mobility. Compression tubes target above, below and sides of the knee. Lower compression tubes targets the patellar tendon. Upper compression tube targets quadriceps misalignment to help improve patellar tracking. Compression tubes on each side assist patellar tracking. Breathable mesh fabric in back for a soft, comfortable fit. Black color, one size fits all.

EACH #1492

Mueller's Jumpers Knee Strap

Features a tubular insert which provides focused mild pressure on the tendon below the kneecap to help guide the patella. Ideal relief for patellar tendonitis caused by frequent running and jumping, irritated kneecap and Osgood-Schlatter's Disease.

Iliotibial Band ITB Strap

A lightweight wrap that helps relieve pain or aching on the outer side of the knee associated with Iliotibial band (ITB) syndrome. Textured neoprene prevents slipping, increases air flow and moisture management. Easy off and on for adjustable fit. Black color. One size fits all.

EACH #1489

Mueller Adjustable Knee Support

This lightweight Neoprene support provides firm, comfortable compression and maintains full range of movement for weak, injured, or arthritic knees. Four patented straps allow for adjustable tension to provide a custom fit. Soft neoprene blend retains body heat for soothing warmth to help relieve pain and keep your knee flexible to avoid re-injury. ONE SIZE FITS ALL

EACH #1415

Knee Brace Mueller Elastic Latex Free

Latex-free and neoprene-free lightweight brace provides support for stiff, weak or sore knees. Flexible steel springs on both sides offer moderate medial/lateral support without restricting mobility. Wraparound design with adjustable straps allows controlled compression and a custom fit. Sizing-Measure around center of knee

Small/Med 12-16"	#1410
Large/XL 16-20"	#1411

Knee Pads #125

Protects your knees against injuries sustained in rigorous working conditions as a result of kneeling. These lightweight pads have hard caps made of abrasion resistant plastic. The soft foam padding & adjustable straps provide hours of comfortable work. One size fits all, navy color.

EACH #5019

Calf/Shin Splint

Lightweight support provides firm, comfortable compression to help relieve pain and discomfort associated with shin splints. Features a wraparound design for easy on/off and adjustable straps for a custom fit. Fully trimmed edges with smooth seams help prevent irritation and chafing. (Measure circumference around mid-calf)

Regular 11-16"	#1183
Large 16-20"	#1184

Thigh Support

Easily adjustable support provides warmth and compression to the quadriceps and hamstring muscles. Provides individual fit for a wide range of sizes. Features contour design for proper fit and fully trimmed edges for durability. Comfortable for all-day wear. Black color, one size fits most.

EACH #1207

Knee Immobilizers

Knee Brace immobilizer provides support and stabilization for the leg and the knee. Contoured reinforced posterior stays with center "I" beam provide rigidity and a custom fit. Two movable stays for inside and outside placement. Soft, outer foam laminate material adds comfort and shows less staining. Trimmable, universal design fits most people. Hook and loop straps for easy closure.

16"	#5000
20"	#5002
24"	#5004

Visco Gel Tubing

Visco Gel Mesh body tubing helps reduce friction, abrasion, shock and shear forces on arms, elbows, wrist, feet, ankle or leg. The mesh tubing is fully coated on the inside with Visco-Gel which softens and moisturizes the skin while providing protection, compression and increasing comfort. Use under braces and splints to reduce friction and rubbing. Flexible mesh fabric stretches easily and can fit any body part. 3" x 10" mesh body tubing can be trimmed or cut to fit desired length. Sold each.

EACH #4103

B Cool Knee Wrap

Provides cold therapy to the knee region. Helps reduce pain and increases range of motion during rehabilitation stage or for knee injuries. Attached straps provide for greater compression. Hydrophobic barrier material helps control condensation. Universal size fits most people, fits right or left knee. Includes 2 B Cool gel cold packs. Dimensions 13 3/4 inch wide by 11 3/4 inch high.

EACH #2176

Ankle & Foot Braces

Mueller Soft Ankle

Comfortable lightweight brace helps prevent ankle injuries and protects weak or injured ankles. Secure stirrup straps provide support on both sides of the ankle while adjustable non-stretch stabilizing straps imitate effects of taping the ankle. Lighter than comparable braces on the market. Easy on/off. Fits Either Foot, use shoe size for correct sizing.
